Dear Friends,

Winter has descended in earnest upon us, with its chill and seemingly unending grayness, which is all the more reason to dive into the pages of this newsletter and see what brightness and warmth is radiating from within our congregation. There is much to do and to experience!

There is certainly a brightness in our Sanctuary and Chapel generated by our new lighting system. On our church campus, thanks to the generosity of Jim and Cindy Webster, we have beautiful signage that on Beall Avenue and the corner of College and Bowman are wondrously lit even on the darkest of nights. The reports from Faith & Structure and the Resource Development Ministry tell of coming new projects and offer opportunities for participation and support.

February brings a full slate of engaging educational programming, joyful times of fellowship, and meaningful worship. A highlight comes the last weekend of the month when we will host the Rev. Jimmie Hawkins, who is the Director of the Office of Public Witness for the Presbyterian Church (U.S.A.) and will be visiting from Washington D.C. Hawkins has held this position since January of 2017, when he followed the Rev. Dr. J. Herbert Nelson II, a former guest speaker here at First Presbyterian and currently the Stated Clerk of our denomination.

Hawkins’ denominational service includes serving on numerous committees of the PC(USA) including as a GA and synod commissioner, as well as numerous presbytery committees and administrative commissions. He is committed to ecumenical relations having served on the global board of Church World Service and the National Council of Churches and has chaired several local interfaith and ecumenical boards. Hawkins’ community advocacy includes serving as a leader for the Moral Monday Movement since its beginnings in 2013. He has been a member of the North Carolina NAACP Executive Committee and has advocated on issues of social justice before congressional and state legislative leadership.

Along with speaking opportunities at the college and within our Presbytery, Jimmie Hawkins will lead Adult Education and preach at First Pres on Sunday, 23 February. More details will be shared as his schedule takes shape. It will be a great honor to have Rev. Hawkins as our guest.

Blessings and Peace, David

Jimmie Hawkins at a news conference on Capitol Hill
Greetings from the Resource Development Ministry!

The finances of our church family finished 2019 strong and according to plan. Thank you to all who submitted your 2019 pledge cards and fulfilled your promises to the church. The following are a few of the financial highlights for 2019:

Congregational giving increased 1.5% over 2018.
Our increased income and careful expense management by our ministry teams have allowed us to use 27% less than what was budgeted for responsible endowment allocation use.
First Presbyterian received $27,720 from the Tom Bruch Family Fund as administered by the Wayne County Community Foundation. This is the first gift from this newly created fund.
The sanctuary lighting project was mostly completed last fall in time for our Christmas services.
Because of our financial strength, we were able to pay for this unbudgeted expense in 2019.

One concern that we have going forward into 2020 is the fact that the submitted congregational pledge card commitments from our stewardship efforts are about 10% less than what was promised last year. If you haven’t completed your pledge card, it’s not too late to turn it into the office!

As you know, the stewardship commitments are imperative to formulating our 2020 budget and continuing the missions, structure maintenance, programming, and the continued overall health of our church. Please contact the office or anyone on the RDM if you have any questions, comments or concerns regarding the church finances.

Sincerely,

The Resource Development Ministry,

Sarah Baker, Dana Brooks, Laura Neill, Stuart Miller, David Rice, and Tom Rumbaugh

---

**FAITH AND WORSHIP**

Looking for something more from your church experience? Find a new joy in serving the congregation on Sunday mornings! There are many different ways to help out.

We are in need of people to serve as ushers, greeters, and liturgists for both the 8:30 and 10:45 a.m. services. Any age is welcome in all areas.

Let us know where you can serve!
Faith and Structure has been working diligently on several projects in the past few months.

In the more “visual” category, the sanctuary lighting project has been completed and, following a few tweaks to refine and enhance coverage, we have been hearing very favorable comments on how it augments a critical venue in our church life. Likewise, we continue to work with an acoustician on a report defining sound system needs in the sanctuary and we look forward to implementing recommendations in the near future. Many of you may have also noticed the attractive new directional signage outside the church, courtesy of Jim and Cindy Webster. This signage has been well received; however, the recent addition of name sign on the corner of College and Bowman is quite beautiful.

A similar sign has been installed along the Beall Avenue entrance.

Behind the scenes, there has also been plenty going on. Here is a sample: The compressor for the fire suppression system in Bruch Hall failed recently and was replaced, the roof top air conditioner that controls most of the space in the church is being replaced prior to summer as its cooling coils no longer function, and the light that illuminates the College Avenue side of the church has been replaced.

The latter is worth a drive by at night!

If you happen to see Tim Hall, you might want to thank him for all he does to juggle these projects to see that they are completed along with the multitude of daily activities involving church maintenance. Our church building is truly a treasure and we are doing our best to enable it to continue to service all of our needs and expectations.
The Adult Education Class in Room 1 downstairs will continue their study of the “Book of Joy.”

ADULTS TO DISCUSS “PUBLIC ISSUES”

The parlor adult class will spend the four Sundays of February discussing three leading public issues, attempting to see these issues through the corrective lenses of the Christian gospel.

INCOME DISPARITY -- At this point in our national history, Americans are experiencing an extreme disparity of income, in which many families with two incomes find it difficult to take care of a family’s basic needs while others are bathed in excess funds which seem to grow larger every day. Many of us can remember a time when one income was adequate for many or most middle-class families. And the disparity seems to be growing. What’s wrong here? Do we have a responsibility to think through solutions that express our concern for the more powerless in our society, as well as a sense of basic fairness?

GLOBAL CHANGING -- We are becoming increasingly aware that our globe is being altered at an accelerating rate. Recorded temperatures are rising, north and south ice caps are fast diminishing, sea levels are beginning to rise, and agricultural growth patterns are changing. Around the edges, skeptics are creating specious arguments, but science is virtually unanimous on this subject. Just what it is that science is telling us? What are the barriers to our belief? Are there practical things that can be done to slow or alter the process? What is making decisive public action difficult? We are fortunate to have scientists among us, and one will be on hand to unravel some of the mysteries and suggest positive responses.

POVERTY -- There is no subject more often mentioned in the gospels than poverty. Nor is there anything more frequently encountered in the entire Bible. We will examine what the scriptures teach us on this subject and think together about what we might do to help make our society more just, more caring, and more fair. As we think together about what is making it so difficult for our society to deal effectively with poverty, we will explore some possible avenues for thought and action.

On the FOURTH SUNDAY OF FEBRUARY, as we conclude our month’s study, we will welcome JIMMIE HAWKINS, the director of The Office of Public Witness of our denomination, who will be visiting our church this weekend. During these few days, he will preach at both Sunday services, meet with several groups, visit college classes, gather with other ministers and church leaders, and talk with members who have an interest in social justice. Dr. Hawkins has been a pastor, a youth worker, a member of our denomination staff, and an ecumenical leader. He has served in his present capacity since early 2016.

COME AND JOIN US IN THE CHURCH PARLOR AS WE EXPLORE THE BIBLE, EXAMINE OUR FAITH, AND LEARN TOGETHER AS GROWING DISCIPLES OF OUR LORD!
Youth Group
Our next Youth Group will be February 16th! More info to come

Sunday School Classes
The Sr. High Sunday School class wrapped up its exploration of Faith & Science during January. We also joined the Adult Ed class for presentation by Kathryn Tschiegg, founder and director of the Central American Medical Organization (CAMO). In February we'll begin a new unit on the timely topic of Faith & Politics, discussing questions such as "Is it OK or not OK to talk about politics at church?" and "Is God a Republican or Democrat?" We'll also be planning for the annual Italian Dinner, which will be held this year on February 22.

Our annual Italian Dinner this year will be Saturday, February 22nd from 5:00 p.m.-7:00 p.m. Tickets are $7 each and children 5 and under are free. You can purchase tickets from the youth during Sunday morning worship hours or in the church office. As in past years, all money received will be going towards our summer trip. This year we will be attending the Youth Service Corp week at Ghost Ranch, New Mexico.

Thank you to everyone who helped cut, sew and purchase the reusable gift bags from our youth. We were able to raise over $1700 for our Mission Trip to Ghost Ranch this coming summer! It also helped with our Earth Care Pledge to keep unneeded paper out of our landfill.
Director's Notes

Thanks to all who helped and participated in our Christmas Celebration on December 15. What a way to end 2019 here at FPC!

We will be learning new things in Sunday School music to share during worship in the next few months. Please mark the dates to remember on your calendars and plan to be here to participate! Also, watch your emails for at-home practice materials if you can’t be here to practice with us.

SAVE THE DATE! Another musical is coming your way for summer 2020. It will be on a Sunday in early August with rehearsals during the week starting mid-July. I will let you know exact dates soon once a few other things get in place. The FPC summer musical is geared for those going into grades 2 through Jr. High or even High School. Please consider participating this year (it is a super fun time) and keep that in mind as you are making your summer plans.

Any questions? Email me at rking@firstpreswooster.org or find me at church! - Rachel

Dates to Remember:

February 23 – Godly Play Music in Worship
10:45 Service

March 15 – Bible Town/Jr High Music in Worship
10:45 Service

April 5 – Palm Sunday, Godly Play & Bible Town
Music and Processional 10:45 Service

May 17 – Spring Celebration Sunday
All Children/Youth 10:45 Service

Palm Sunday

Children through 5th grade are welcome to join us on Palm Sunday (April 5) as we sing and carry our palms through the church during the 10:45 service! We could also use a few Jr. High students to help pass out palms and line kids up!

Spring Celebration Sunday

May 17 is going to be our Spring Celebration Sunday this year! The children and youth will be leading the service to celebrate all the wonderful things that we have done this year at FPC! This includes sharing music and leading other parts of the service, so get your thinking caps on to help come up with ideas of things you would like to share with the congregation. Some ideas would be to play your instrument, sing a song, be in a drama, read scripture, or say a prayer. More information will be coming out as we get closer to May, so stay tuned!
CHILDREN’S WORSHIP

Please save these dates for upcoming children’s music times in 10:45 worship:

February 23-Godly Play
March 15-Bible Town
April 5-Palm Sunday Processional with Godly Play & Bible Town

Members of the Good Book Club met on January 13 in Gordon and Betty Shull apartment at Danbury to review the books read during 2019. Each of us was to choose his/her #1 choice and to explain why. The books read were: “Summer at Tiffany” by Marjorie Hart, “The Sun Does Shine: by Anthony Hinton, “The Adventures of Huckleberry Finn” by Mark Twain, “Educated” by Tara Westover and “The Overstory” by Richard Powers.

Four of us chose “The Sun Does Shine”, the true story of the three-decade long effort made to free a black man on Death Row. Two of us chose “Educated”, the true story of a woman, raised in a very controlled Mormon household, who eventually broke free and completed not only a bachelor’s degree, but a Ph.D.

We all enjoyed reading “Summer at Tiffany”, another true story, but quite light-hearted. The two college-age female students travelled to New York City in the early 1940s. With the men who usually served as pages at Tiffany gone to the armed services, they were hired. We spent some time sharing our thoughts about “The Overstory”. The book starts with short stories about several un-related people. In each story a tree plays a role. Eventually, all, but one couple and a scientist, join forces to appose, as activists, the clear-cutting of forests.

We decided to begin our 2020 readings with a book that is simply fun to read. So for February we will read “The 100-Year Old Man Who Climbed Out the Window and Disappeared”. If you’ve read the book, please join us on February 10th.

Submitted by: LeRoy Haynes
BIBLE STUDY HOLIDAY BRUNCH

Our Bible Study group is one of the best-kept secrets of our church. Although the members have changed, this group has been meeting for well-over twenty years. Once a year, we gather for a brunch where we invite spouses and enjoy a potluck brunch. Join us Tuesday mornings, from 8:30-10 a.m. in the church parlor. Such warm feelings!

CAN YOU HELP?

I am looking for someone to host a COW Education student this fall. We have a student who is graduating and will student teach in the fall of 2020. She will need to be in Wooster from 2nd week of August until the middle of November. She will be teaching all day, everyday. Can you help with this need?

If so please contact Sarah Dunlap at smdunlap74@gmail.com
Our next Freezer Meal Event will take place on Saturday, February 29th at 10:00 a.m. We will be making 5 meals to place in your freezer and use when you need them most!

Please let Amy Baxstrom know if you want to join us. Cost is $40.

March 14th will be our Church Wide Bowling Event. Stay tuned for when and where!

SCAM EMAIL ALERT:

It has come to our attention that recently a couple of members have gotten emails that appear to have come from our Pastor, David Rice. They could come into your spam folder or regular inbox. Do not open any links, respond in any way, or call any numbers indicated in the email. Carefully look at the email address. Sometimes hackers will use what appears to be the correct email address with a missing/addition of a letter. Do not open. Also, there are usually misspellings and improper grammar in these emails.

Thank you for your attention to this matter.

Submitted by: Donna Lee Bye, Office Administrator
February 21—Dr. Susan Clayton, Professor of Psychology at The College of Wooster, will speak to the group about people's relationship to the natural world. Lunch will be provided in Bruch Hall. Sign-up sheet on the bulletin board.

We extend the sympathy of the church to Kathy Turning and her family on the loss of Kathy’s husband, Tye Turning.

We extend the sympathy of the church to Edith and Jon Swank on the passing of their daughter Vanessa.

Thank you for all the calls and visits to Mom (Fran Curtis) over the years. She appreciated them as do we, her family. Thanks to Pastors David and Charles for the memorial service and their visits. Thanks also to Mimi and Women’s Fellowship for the delicious meal. FPC was a big part of Mom’s life. Thank you again.

Submitted by: Lois Immel and family
“SAVE THE DATE” - The Spring 2020 Rummage Sale is set for Friday, April 24 with workdays on the 22 and 23. Please mark your calendar. A reminder that the south closet on the second floor (in the direction of Bowman Street) is available for items now.

Immigrant Advocacy Team - Our newly formed Immigrant Advocacy Team prepared food, provided the piñata and candy (see photo) and gifts of 100 books for one night of La Posada (The Inn) at St. Agnes church in Orrville in December. La Posada is a nine-night Catholic Latino tradition reenacting the night Joseph and Mary were seeking shelter for the birth of their first child - Jesus. The attendees separate into two groups and sing, asking for shelter and being denied, until finally they find a place to stay. Then food, the piñata, candy, and gifts are enjoyed by all.

Thank you to Yosmer Ceballos, Joy Benson and Jacobo Galindo, Linda Bush, April Gamble, and our international friends from COW and OARDC.

Submitted by Carla Hall.
Faith and Practice

Faith and Practice provided a meal for the Homeless and Needy on Jan 5, 2020 at DZ6 at Zion Lutheran Church. We are always accepting monetary donations at the church office to help defray the cost of the food. You can also help by signing up to cook, serve and provide specific food items. The sign-up sheet will be available on the bulletin board starting in February. Our next meal will be March 1.

Faith and Nurture

A new AED (Automated External Defibrillator) was recently installed on the lower level of the church near the restrooms. An AED is an electronic device used to immediately help those experiencing sudden cardiac arrest in the critical moments before first responders arrive. Our new unit is suitable for use with both children and adults and is easily accessible to both Wee Care and the classrooms on the lower level. Many thanks to the Safety & Security Committee and Tim Hall for researching and recommending the AED purchase.

Hello First Pres friends! As most of you heard, I recently spent a week in the Dominican Republic participating in my first medical missions trip. This was also my first time out of the country so it was quite the experience all around. We were housed in dorm like buildings at a Catholic Church camp on top of a hill looking down on the city of Nagua. Cold showers, bunk beds surrounded by mosquito nets, and undrinkable water have nothing against the wonderful experience I had.

The people that the surgery and clinical teams provided medical care for during the week of January 4th were so appreciative and have such a love for God! It is astounding to me how much joy and happiness the DR people have despite poor living conditions. Trash litters the streets, dogs and chickens roam free and homes are less than adequate in many cases. Despite all that, each day our teams were welcomed with singing, dancing, praying and appreciation for the work God sent us to do.

This trip opened my eyes to the realities that face many people in our world and really humbled me in a way I couldn’t have imagined. You could say I’ve gotten bit by the bug because I can not wait for the chance to return and do more work in the DR and possibly other countries.

This trip really was made possible by the giving people of First Presbyterian and I can’t even begin to thank you. Not only did your support touch me, but also the people I was then in turn able to help in the Dominican Republic. Thank you from the bottom of my heart. Submitted by: Laura Bigley
This is the second in our series of special books worth reading right away. This month our special book is by a very special writer with whom many of our members are familiar. Classes have read his books . . . several groups have seen his videos . . . and a few have actually met and talked with him.

His name is MARCUS BORG. For many years he taught at Oregon State University where he was the Hundere Distinguished Professor of Religion and Culture. During those years he traveled widely throughout the country, lecturing in schools and churches, while making many popular videos.

All of his books have been best-sellers, but none has been as popular as ...

**THE HEART OF CHRISTIANITY:**

**REDISCOVERING A LIFE OF FAITH**

Borg sets out to remove the distance that exists in the mind of many Christians between the life and ministry of Jesus, on the one hand, and the life of modern Christians, on the other. He takes words and phrases, such as “born again” that serve to get in the way of an active and modern faith and shows what Jesus was talking about 2,000 years ago. For Borg, the Christian faith is as modern and current today as it was in the days of the disciples. But first we have to be willing to remove the blinders that prevent us from seeing the full sweep of this thing we call “faith.”

Many of us were saddened just four years ago to learn that Marcus Borg had died at much too young an age. His wife and many of his former students have carried on parts of his work, but his books are by far the most important influence on today’s church. This small (8 ½ x 5 ½ in.), short (225 pages) book is a fine introduction to Borg’s captivating unraveling of the compelling story of the gospels.

---

The re-cataloguing and re-shelving of our collection continues, with more books than can fit in our current shelving, thanks to many gifts and parts of the libraries of Jim Collier and others. Please understand that we cannot use all the books that people graciously leave in the library to be shared with others. Your generosity is appreciated!

Eventually a printed catalogue will be provided. In the meantime, shelf titles are helpful in finding the book you may be looking for. Thank you for your on-going support!
It is with a heavy heart we share the news that Jenson Hodges, a preschooler at Wee Care, passed away on December 24th, 2019. He fell into an icy pond on the family farm on December 22 and passed away at the hospital surrounded by loved ones.

Jenson loved to play with friends and be outside, so we will be dedicating a bench in his honor on our playground. While we have reached our goal, any further donations in his memory will be used to buy supplies for gross-motor play.

February brings Valentine’s Day Parties, picture day, and a book fair to Wee Care.

Usborne Book Fair February 17-21st - open to the public.

Every purchase goes towards new books for Wee Care.
