Dear Friends,

As we head more deeply into autumn, the church calendar is expanding, as you can see from the size and content of this month’s newsletter. I invite you to explore the myriad offerings and opportunities found in these pages.

Our worship in October gets off to a joyful and meaningful start as we host former PC(USA) Moderator Rev. Dr. Fahed AbuAkel as our World Communion Sunday preacher for our single worship service at 10:45 in the Sanctuary. Rev. Fahed will also be presenting at 9:15 a.m. during the single Adult/Youth Sunday School Class in the Parlor. Westminster Presbyterian will be joining us that morning and will provide lunch in Bruch Hall for our combined congregations. During lunch, Fahed and Nahida Gordon from Westminster will take questions and share their experiences from Israel/Palestine. Fahed’s visit is particularly special for me, because he was a good friend and colleague of my father’s when they both served on the staff of First Presbyterian Church in Atlanta, Georgia.

On Sunday, October 20, our worship will celebrate Children’s Sabbath, a Sunday sponsored by the Children’s Defense Fund and supported by our denomination. Our featured preacher that day will be Jeff Franks and our liturgy, prayers, and hymns will lift up our care and concern for all children at home and around the world.

Among all the announcements and information contained in this month’s Tower Tidings, don’t miss the page announcing that First Presbyterian has joined sister PC(USA) churches as a Matthew 25 Church. There is a link there to take you to the description and details of this exciting new vision for transforming congregations and deepening our engagement with the world around us.

Finally, I invite you to give generously this coming Sunday to the Peacemaking and Global Witness Offering that we will be receiving during morning worship.

Blessings and Peace,
David
Our celebration of World Communion Sunday and the reception of the Peacemaking Offering comes on October 6. There will be only one service at 10:45 a.m. Leading us in worship that day will be Fahed AbuAkel, Moderator, 214th General Assembly of the Presbyterian Church (USA) 2002-2003. His bio is on the next page.

Peace and Global Witness Offering

The Peace & Global Witness Offering draws Presbyterians together as active peacemakers and provides education and exposure to those who show us how to do this work well. It allows us to create resources for dealing with conflict and nurturing reconciliation and stand in support of our global sisters and brothers, because the peace of Christ belongs to people everywhere.

Your gift will join with others as the Church works for peace including an end to gender-based violence and discrimination. The PC(USA) responds by supporting partners in places like Guatemala and the Democratic Republic of Congo working to address the trauma of gender-based violence and advocate for changed hearts and minds. In addition, your gifts aid in developing resources that help congregations respond to this need in their context. (PCUSA)

We will receive the Peace and Global Witness Offering on October 6. 25% of the funds will remain with our congregation to be used toward peacemaking activities.

We have become a Matthew 25 church
(Matthew 25:31-46)
https://www.presbyterianmission.org/ministries/matthew-25/

At last month’s Session Meeting, our church leadership voted to join many other PC (USA) congregations that identify themselves as Matthew 25 churches. This is a loving commitment to radical and fearless discipleship by embracing one these three focuses:

**Building congregational vitality** by challenging people to deepen their faith and get actively and joyfully engaged with their community and the world.

**Dismantling structural racism** by advocating and acting to break down the systems, practices and thinking that underlie discrimination, bias, prejudice and oppression of people of color.

**Eradicating systemic poverty** by working to change laws, policies, plans and structures in our society that perpetuate economic exploitation of people who are poor.

The Matthew 25 Vision unites all Presbyterians in becoming a more relevant presence in the world by creating a spark that energizes and joins us in our common mission together, celebrating and calling forth churches that actively engage the world, and showing our understanding as Presbyterian Christians that we are “saved to serve.”

An important continuing responsibility of being a Matthew 25 church is proclaiming our successes: how our congregation or community has been impacted or changed, how we’ve found a new purpose in ministry, how our faith as disciples has been energized. Sharing our stories also gives clarity to our ministry and strengthens our commitment to continue this important work.
Greetings from RDM!

2019 is shaping up to be a “fiscally” successful year for First Presbyterian! Congregational pledges have been consistent and on track this year (thank you!), our staff and ministry teams have been good stewards of our resources and keeping within budget, and our endowment funds have benefitted from a positive economic environment!

As October quickly approaches, I am reminded that our Stewardship Sunday campaign for 2020 is scheduled in November. As you know this very important campaign allows our staff and ministry teams to plan next year’s programming, mission projects, and maintenance of our church building.

In the coming weeks, RDM will be planning several presentations from various congregational members communicating their faith journeys and the numerous ways that First Presbyterian Church of Wooster has touched their spiritual lives.

As you receive your pledge card in the next few weeks, please prayerfully consider your continued support and commitment to your church and a fulfilling 2020. Please feel free to contact any of the members of the RDM Team if you have any questions or wish to see any financial information.

Sincerely,

The Resource Development Ministry
Sarah Baker, Dana Brooks, Stuart Miller, Laura Neill, David Rice, and Tom Rumbaugh

To date, we have received $3,434.54 of our expected per capita contribution of $12,193.44. Per Capita is the amount we pay to the Presbytery, Synod and General Assembly for each of our members as part of our participation in the connectional nature of our denomination. Thank you to all who have contributed.
The Faith and Structure Coordinating Committee has had a busy summer and early fall. The major project and effort has been a comprehensive effort to address our sanctuary light and sound systems. Lighting issues include making frequent patches to the system, the overhead lights are no longer standard and are increasingly difficult to source and there are frequent observations about shadows and light intensity. A wireless control system, including dimmers, for all chancel lighting and new LED sanctuary lights will be installed. The chancel area will receive an even light wash across the stage and can target specific areas, e.g., the baptismal font. This project is moving smoothly and a November installation is planned with minimum disruption to church activities anticipated.

Sound issues include both sound quality and quantity, known as sound intelligibility, continue to be challenging. The proposal calls for speakers in the choir loft and chapel areas as well as the sanctuary and new microphones, all of which can be controlled remotely. The system will integrate the T-loop system to augment hearing. We are bringing in an independent acoustician in November to guide us on decisions made to enhance acoustic intelligibility through speaker placement and to be sure we are making prudent decisions about the equipment purchased. Installation plans will proceed once the acousticians report is received.

The light and sound information was shared in a Minute For Mission on September 1, at which time the chapel area was also opened to show the new LED lights and paint job, completed in time for use this fall for the early service. Faith and Worship and the Resource Development Ministry have also worked with Faith and Structure on these projects, look to hear more from them in the future.

Other projects have included roof repair above the parlor window and drain repair over the west entrance off College Avenue. The lawn area has been repaired from the equipment brought in and it will be replanted this fall. Some nice fall rains will allow further evaluation! Likewise, we worked with Wee Care to mulch the playground area recently with regrading of the grounds and removal of a tree, both to enhance proper drainage, planned over the next several months.

Lastly, there are some exciting plans proposed for street side and directional signage, which have also been reviewed by Women’s Fellowship, courtesy of Jim and Cindy Webster. There will be more to share on this project in future news.

Join our Adult Education Class in Room 1 downstairs at 9:15 a.m. We will again be offering some thought provoking lessons and discussions. Please join us for a great conversation and of course food! As always snacks and coffee are provided. Hope to see you there!

**BRUEGGEMANN IS COMING!**

. . . Not in person, of course. But he will be visiting the adult education group that meets in the parlor by way of a video series at 9:15 a.m.

Brueggemann is well-known to many in our church because he has visited our adult education program several times before. This time he will be discussing one of his favorite topics: the meaning of the Covenant for modern-day Christians. The title of the series is COUNTERING PHAROAH’S PRODUCTION-CONSUMPTION SOCIETY TODAY.

The class will be taught by former pastor Jim Collier, who has been serving as transitional pastor of the Westminster Presbyterian Church in Wooster while the congregation awaits the arrival of its new pastor, Dr. Eniko Ferenczy.

Put this on your calendar to be sure and hear this contemporary message by our church’s preeminent prophet-teacher. As always, sharing and discussion will be part of the plan!

IMMIGRANT WORKER PROJECT

The Immigrant Worker Project (IWP) is an organization that is “dedicated to the struggle for justice and human dignity for rural immigrant workers from Latin America.” IWP is based in Canton and serves many people in our area. One of the many services IWP provides is transportation to foreign consulates and immigration appointments for people who would otherwise be forced to pay exorbitant fees for transportation. IWP is asking for help in purchasing a fifteen-passenger van to replace their current van that has been on the road since 2003.

The “downstairs” Adult Sunday School class has embraced an opportunity to raise money for the van by selling whole-hog sausage for $5 per pound. We will sell the sausage in the Gathering Area on Sunday mornings, while supplies last. This delicious sausage came from hogs that were raised by 4H youngsters in Ashland County and was locally processed. It comes frozen and bulk-packaged by the pound. This is a delicious way to provide a needed service to our community. Be sure to get some while you can!
Youth Group
Join us for our next youth event on Sunday, October 20th from 5:00 p.m.-7:00 p.m.
We will meet at Paula Abrecht’s house for a Bonfire and fun!
Please let Amy Baxstrom know if you can make it!
Hot dogs and buns will be provided, please bring a snack to share!

Sunday School Classes
The Jr. High Class will be getting to know the people of our church better as well as learning about their own faith and where it is taking them.

The Sr. High Class will be starting a new curriculum called Faith and Justice.

Our youth mentorship is a vital and important part of the journey in their faith. Last year we instituted a mentorship that goes throughout the span of their time in the youth group (6th-12th grades). We have added 8 (YIPPEE!!!) 6th graders to our Jr. High Class! I am looking for 8 people to mentor these youth throughout their time at FPC and beyond. We have found that a strong connection here helps them make better choices along their path. Please see Amy Baxstrom if you would like to participate.

This is a 6-year commitment, but each relationship is unique. Some more involved than others.

PLEASE CONSIDER HELPING IN THIS MATTER! I NEED MORE MENTORS!
On September 22 over twenty junior and senior high youth and their adult leaders helped volunteers from the St. James Episcopal Lunch Program core, blanch, and peel hundreds of imperfect fresh tomatoes. The tomatoes will be canned and used throughout the year at the lunch program in soups, sauces, and casseroles.
Our first Kids ROC will be Saturday, October 5th from 10:00 a.m.-11:00 a.m. at First Presbyterian Church. We will be cooking a meal for the Salvation Army. Please let Amy Baxstrom know if you can attend!

Our annual Fall Festival is Saturday, October 12th from 3:00 p.m.-5:00 p.m. All hands are needed to make this a fun and exciting event for our community. Donations of candy and food are needed as well as volunteers for many stations. Please see the gathering board to sign up. Candy donations can be made in the large apple baskets. Thank you!

Family Fun at the YMCA- Join us on Saturday, November 9th from 2:00-4:00 p.m. for a Family Fun Swim time! There is a $5 cost if you are not a member. Please let Amy Baxstrom know if you can attend!

Journey Together
IN JOY, LOVE, PEACE, & FAITH

I'm looking forward to another exciting year at First Pres! We had a fun time doing our first-ever summer musical, “The Tale of Three Trees” and I am continually blown away by the talents and creativity of the children here. Our theme for the upcoming year of Sunday School music is “Journey Together in Joy, Love, Peace, & Faith”. Godly Play through Jr. High will meet regularly during the Sunday School hour to practice large group music to share in worship, and there will be several opportunities again for special music solos or small groups for Bible Town through Sr. High. Make sure to check out the schedule in the box to the right and mark those worship dates on your calendars! Also make sure to join us to rehearse on Sundays regularly leading up to those days and check your emails for updates and rehearsal materials that can be used to practice at home. Any questions? Email me at rking@firstpreswooster.org or find me at church!

Blessings,
Rachel

On Our Way to Bethlehem
This year our children’s Christmas presentation will be on Sunday, December 15. All three Sunday School classes will combine their talents in a musical with songs and dialogue to share during worship that Sunday. We will start rehearsals during Sunday School in late October, with a final run through during Sunday School on December 15. Songs and scripts to practice at home will be sent out as we get closer to that time.

We will also have an opportunity for special individual talents to be showcased that Sunday for all ages, so be thinking about what you might want to share. Please watch for more specific information to come as we get closer to the Advent season!

Trust in the Lord with all your heart and do not lean on your own understanding. In all your ways acknowledge Him and He will make your paths straight. – Proverbs 3:5-6
I would like to thank everyone for their thoughts, prayers, emails and cards during my 5 months of enduring 5 spinal compression fractures. A thank you too, to my deacon Tricia Vossler, for being an awesome deacon, and to Carol Gates and Pat Bare for all their extra attention. It has been a long painful spring/summer, but with everyone’s thoughts and prayers, I am improving. From the bottom of my heart - thank you! I hope to see everyone soon. Blessings. Polly Johnson

The Good Book Club renewed its second-Monday-evening meetings, on September 9th, to make plans for the coming year. After discussing nominations growing out of our summer reading, we decided to start with "Educated", by Tara Westover, and "The Overstory", by Richard Powers. The club is of course open to all who like to read and share their impressions. Join us by contacting Roy Haynes at haynes@wooster.edu

The Mitten Tree Comes Early

An annual part of our Advent celebration for a number of years has been the Mitten Tree. This year it will be up early. As you know, we are partnering with the Medina Presbyterian Church to assemble boxes of presents for children participating in the Medina-Wayne Head Start program. One of the items to be included in these packages is...mittens/gloves. Since these packages need to be assembled by early December, we plan to set up the Mitten Tree sometime in October so there is plenty of time to collect mittens and gloves (and hats are always welcome).

Any remaining items or items collected after the packages are assembled will be sent to The Shack in West Virginia, where we have been sending them the last several years.

Christmas Toy Project Wish List 2019

Last year, People to People Ministries' Christmas Toy Project provided gifts for 746 eligible Wayne County children, age's newborn through 18, who otherwise may not have received gifts for the holiday. At our project each year, and with the assistance of an adult volunteer, parents choose for each of their children a gift valued at $30-$40, and a gift valued at $15-25. In addition, each child is given a smaller new or used gift valued at $6 - $15, stocking stuffers, books, and a stuffed animal. Then, parents can choose a family gift consisting of a board game, a puzzle, and a DVD (if quantities are available). Our toy department work year round putting these gifts together and if you would like to support us by a financial donation this way it would give the ladies the opportunity to go out and purchase items they know they need most. Our Project dates this year are December 8th through December 11th, 2019. We would like to have all gifts and/or donations here in early November before Thanksgiving but by no later than December 1st as a final date for this years project. Thank you for your generosity.

Please contact Michelle Weaver at 330-262-1662 ext. 211 or by email: michelle@ptpm.net if you would need more information.

CHURCH PHOTO DIRECTORY THANKS

As chair of the Faith & Nurture Team, I'd like to extend my thanks to the many, many people who contributed to the new church photo directory. One hundred and seventy-one families came in to be photographed or submitted photographs for the directory. Tricia Vossler offered advice from her experience with our 2014 directory. Pat Bare and the Board of Deacons, David Rice, Amy Baxstrom, and Charles Cureton, all reached out to members and friends to encourage participation. Russ McQuate and Jeff Perkins came to church early several Sundays to take photos of members who could not attend a photography session. Pat Bare and Robin Sharp took photos of members in senior living facilities. Karen McQuate painted the lovely watercolor reproduced on the front cover and the Liturgical Arts Team (Elaine Arnold, Jane Blake, Lois Bruch, Judy Mallon, Jane Taylor, Sonja Tugend, Mina Van Cleef, and Marlene Zimmerman) created the beautiful Memorial Banner featured on the back cover. Elaine Arnold, Amy Baxstrom, Lois Bruch, Linda Bush, Donna Bye, Sarah Davis, Bill Hall, Kristi Hiner, Beth Keck, Russ & Karen McQuate, Zach Miller, Jeff Perkins, Lisa Rumbaugh, Robin Sharp, Mary Stockton, and Carol Thompson provided photographs for the ministry pages. Kristi Hiner assisted with the layout of the ministry pages. Mimi Lewellen and Lee Patterson, two of the best sources of institutional memory in our church, served as proofreaders and fact checkers. Our efficient and cheerful office staff, Donna Bye and Donna Ru Lon, helped with publicity, sign-ups, verifying contact information, finding photos for the ministry pages, proofing, and distribution while juggling their other responsibilities. Tim Hall managed facility logistics. David Rice offered guidance and encouragement throughout the project. Rev. Evan Fischer and Carrie Bonvallet of St. James Episcopal Church were gracious in working with us to share photography dates. Finally the Faith & Nurture Team - Paula Abrecht, Laura Bigley, Diana Day, Melanie Garcia, Mark Gordon, Kristi Hiner, Pat Miles, and Shanna Springer - worked hard for nearly a year planning and designing the directory and handling the nuts and bolts of sign-ups, photography session registration, and directory distribution. I’m grateful for your many efforts.

If you have not yet received a copy of the directory, stop by the church office during the week or contact me at 330-264-3413. Next up is the online version of the directory - watch for more details soon!

PERIODICALS IN THE CHURCH LIBRARY

Our church library is not just about books. PERIODICALS – journals & magazines – are prominently displayed in a special rack. Some are purchased by the church and others come from private donors through the Library Committee. Together they help to keep readers informed about what’s going on in the religious life of the church and the country. Here are four:

**PRESBYTERIANS TODAY**  This is the official award-winning journal of our denomination. A colorful bi-monthly publication, it includes articles, Bible studies, reports on local church life, reflections by younger and older Presbyterians, lots of pictures to illustrate the articles. Coming soon will be an exciting report on the Youth Triennium attended by several of our youth and adult supporters.

**CHRISTIAN CENTURY**  Around for nearly eighty years, this bi-weekly journal is the most prominent and most often quoted magazine in the Protestant world. Its editors have included some of the major names in American religion, including John Buchanan, College of Wooster parent and former pastor of the historic Fourth Presbyterian Church in Chicago.

**PRESBYTERIAN OUTLOOK**  One of the oldest religious publications in the country, this monthly magazine has covered every important development in our denomination since the time when we were split into northern and southern churches. It includes much local church news and thought-provoking reflections on faithful Christian living in a modern world.

**THE JOURNAL OF PRESBYTERIAN HISTORY**  Published three times a year, this superb journal recounts the history of our church through well over three centuries. Local churches, major figures and national life are featured in each issue, with original research and ample illustrations. Again, this is an award-winning journal of which we can all be proud.
